

# V PAY

**The smart and safe way to shop in Europe.**

V PAY\* is the preferred point of sale card in Europe, and unlike many other cards, does not carry international fees.

- Transacts purchases in currencies accepted by the V PAY networks
- Checking account required
- Contactless (touch and go) payment capability - restrictions apply\*\*

**ORDER YOUR  
V PAY CARD NOW**

Order online at [servicecu.org/VPAY](https://servicecu.org/VPAY) or scan the QR code.

\*Must be a member of Service Federal Credit Union with a checking account to order a V PAY card. A fee will be assessed for the initial card issuance and the funds must be available in the checking account at the time the card is ordered. Other fees may apply. See the V PAY Fee Schedule and V PAY Card Disclosure, Terms and Conditions for more information. The V PAY card is tied to your checking account and allows you to access your available balance up to the set limit. V PAY is a registered trademark of the Visa International Service Association. \*\*Contactless payment transactions may only be completed for individual transactions under €50. Upon accumulating €150 of contactless payment transactions, a PIN entry will be required to reset the contactless limit cycle.
